Kiwanis Club of Streamwood

Volume 10 - Issue 12 September 2014

The President's Perspective

Fellow Kiwanians!

We've had a fabulous year and I couldn't be prouder of all we've accomplished.

Our new year begins on October 1 and I trust that all of you will continue to put the effort in to serve our children and the families in our communities.

We have a lot coming up this month and in the months to come - please take the time to be a part of all our club has to offer!

Happy Labor Day!

Sandy

FROM THE EDITOR'S DESK

This is the final issue of the 2013-2014 Kiwanis year and the end of my 10th year serving as newsletter editor!

While I enjoy being creative, informative and entertaining, it's not always easy to come up with new and interesting material.

Please don't hesitate to offer suggestions, provide stories, share family news, etc. It's always welcome and much appreciated!!

Cathy T.

Texas Hold 'Em Recap

Our fundraiser on August 20 brought in a little over \$700.00. Thanks to everyone who helped out with the event. The final event of the year will be held on **Monday, November 10** at the VFW Hall.

2

As we mentioned in last month's newsletter, we will be moving to Poplar Creek Bowl in 2015. The dates for next year are: **Monday, February 16, Monday, May 18, Monday, August 10 and Monday, October 9.**

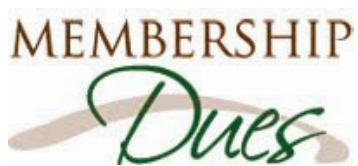

Join us at the Fishing Derby!

We hope to see everyone out at the 6th Annual Kids Fishing Derby on *Saturday, September 6* at Surrey Woods Pond in Streamwood!

For those of you who haven't helped out before, the tasks are easy..... registering our little fishermen, keeping track of the smallest, largest and most fish caught by each child and awarding prizes and trophies.

It's a good time for the kids (and us!) and it will only take a few hours of your day! It's definitely time well spent!

You may have already gotten an email about this project, so please say "yes" and come out to be a part of it!

One last reminder that the \$100.00 annual membership renewal is *due by September 15*. If you need to make any special arrangements, contact our Treasurer, Terri, at terrijohnson74@yahoo.com.

As we've mentioned before, you are not paying to be a volunteer. Dues are a necessary part of our club's operations and are used to pay for administrative items like District & International dues, insurance, conventions, advertising, postage, stationery, etc.

Peanut Days!!

Save the date for the biggest fundraiser of year - September 26-27!

We need EVERYONE'S help over peanut weekend to make this project a success! As most of you know, this is the project that brings in the most revenue in the year and the one we most depend on to support the many important projects in the community throughout the year.

PLEASE plan to spend some time lending a hand over peanut weekend! Your help is needed on street corners, at storefronts, as runners and at Peanut Central (Streamwood Fire Station #3 on Schaumburg Road).

Terri is doing all the scheduling, so don't hesitate..... reserve your time and location with her TODAY at terrijohnson74@yahoo.com or 630-768-7535!

In addition, we are asking all members to consider making a personal donation to this fundraiser, particularly if you're unable to participate that weekend. This adds a much needed boost to the donations we collect.

And finally, don't forget that boxes of peanuts (100 bags) are available for purchase at \$40.00 a box. With Halloween right around the corner, peanuts are a great alternative to candy!

We hope to see all of you over peanut weekend!!

I-I District Convention Recap

I attended this year's district convention in Bloomington this August and thoroughly enjoyed an educational and entertaining weekend with fellow Kiwanians. In addition to the meetings, forums and dinners, a few highlights of the weekend included:

- Acceptance of the Kiwanis Club of Streamwood's Distinguished Club Award for 2012-2013
- Division 8 being named a Distinguished Division, with Tony Tripp being recognized as a Distinguished Lt. Governor.
- My installation as Lt. Governor for Division 8 for 2014-2015
- Important updates about the Eliminate Project, the Spastics Foundation, Kiwanis 100th Anniversary and the 2015 Centennial Tour
- My first District Board Meeting as incoming Lt. Governor
- Updates about the Governor's visit to Division 8 on October 3
- An opportunity to catch up with past Streamwood Kiwanian, Patty McKernan, and to spend some time with members of the Elmhurst club

- Cathy T.

School Supplies for Kids

Big thanks to Terri Johnson and Sandy Stewart for taking the time to go to Walmart to shop for over \$800.00 worth of school supplies for our local kids in need! We used money from our service account, in addition to the \$500.00 grant we received from First Midwest Bank.

An especially big thanks to Terri who took a lot of time organizing all the supplies and getting them ready for delivery.

We appreciate our delivery crew who distributed the supplies on August 25..... Terri and John Johnson, Sandy and John Stewart, Maryann and Jim Cecille and one of our newest members, Ross Moerman.

The recipient schools were: Glenbrook, Hanover Countryside, Heritage, Oakhill and Sunnydale Elementary Schools.

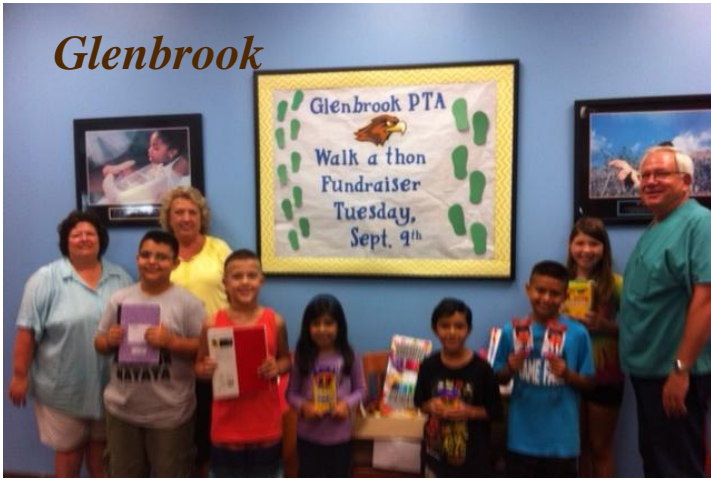

See photos from the schools on the following page!

Governor's Visit Set for October

The annual Governor's visit to Division 8 will take place on *Friday, October 3*. It will be hosted by the Park Ridge Morning Club and held at *Park Ridge Community Church, 100 Courtland Avenue, Park Ridge beginning at 6:30 PM*. The cost will be **\$25.00 per person** for a delicious buffet meal. Soft drink, beer and wine will be available for purchase.

We hope that many of you will be able to attend. It's a great opportunity to meet the new Governor, Jim Dooley, and share an evening out with fellow Kiwanians in our division.

It was a great honor for our Kiwanis International President, Gunter Gasser, to meet Pope Francis earlier this year!

Postcard for Kiwanis Youth Protection Week. The top text reads "KIWANIS YOUTH PROTECTION WEEK". Below this, two hands are shown cupped together, holding a small object. The text "Kids' safety is in your hands. Are you ready?" is overlaid on the hands. At the bottom, a dark blue banner contains the text: "Kiwanis Youth Protection Week is September 7-13, 2014. Inspire your club to help protect young people—and members' reputations. Prepare for Youth Protection Week. Make sure every member has the updated guidelines. Make time for youth protection training. Make an important week come alive by getting ready now." The website "www.kiwanis.org/youthprotection" and the Kiwanis logo are also present.

There are more than 300,000 members of all ages involved in Kiwanis youth programs. Almost all Kiwanis clubs sponsor an SLP club and do projects with youth. When we work with and mentor youth during projects and activities, their care and welfare are being entrusted to us.

It might be hard to believe that a troubling incident involving a youth and/or club member(s) could happen in any club or community. But there are countless examples in all places, with all types of youth service organizations. Every member has to know how to protect the youth with whom we interact *and* ourselves.

Kiwanians in particular have good reason to act with the highest standards. If we want to be the premier provider of youth service clubs and programs, we need to hold ourselves and our fellow members to the highest standards of conduct and awareness.

Project Eliminate Centennial Gift

With The Eliminate Project, Kiwanis International and UNICEF joined forces to eliminate maternal and neonatal tetanus. This deadly disease steals the lives of nearly 60,000 innocent babies and a significant number of women each year. The effects of the disease are excruciating — tiny newborns suffer repeated, painful convulsions and extreme sensitivity to light and touch.

To eliminate MNT from the Earth, more than 100 million mothers and their future babies must be immunized. This requires vaccines, syringes, safe storage, transportation, thousands of skilled staff and more. It will take US\$110 million — and the dedicated work of UNICEF and every member of the Kiwanis family.

At the District convention, a video was shown of children dying from this terrible and very preventable disease. If you saw the video, you'd surely open your hearts and your wallets to contribute to this critically important cause.

Now, you can help save lives and honor Kiwanis' 100 years of service with a special anniversary gift to The Eliminate Project.

In 2015, The Eliminate Project will debut the Centennial Award to commemorate Kiwanis' mission to serve the children of the world.

What better way to celebrate your commitment to Kiwanis and 100 proud years of history than by saving lives?

Your gift of US\$1,500 will help save or protect more than 833 women and their future babies from maternal and neonatal tetanus. Imagine the possibilities!

Recipients will receive a special lapel pin, a custom-framed medallion and personalized certificate. The exclusive Centennial Award will only be available during the centennial year. The Kiwanis International Foundation will start accepting gifts and pledges on October 1, 2014, and recognition will be available beginning in January 2015.

Sign up now to receive important email updates about the Centennial Award or contact the Eliminate campaign office at 1-317-217-6235 or via email to campaign@TheEliminateProject.org.

In 2015, Kiwanis International will celebrate **100 years of service**. The anniversary will be marked with a variety of events, including a Centennial Tour during which 2014–15 Kiwanis International President John Button will visit 12 Kiwanis districts throughout the world. Thanks to a generous grant from the Kiwanis International Foundation, the president will join Kiwanians in these districts in building playgrounds as a lasting legacy of this milestone anniversary.

The districts building playgrounds are currently in the fundraising period of the campaign and are grateful that our foundation's grant will greatly reduce the costs of their playgrounds. The playgrounds are being designed and developed with Kiwanis Vision Partner Landscape Structures; in fact, they've created **centennial playgrounds** especially for the anniversary year, with each design featuring the Kiwanis logo to illustrate Kiwanians' commitment to serve children locally and raise the profile of local Kiwanis clubs in each community.

As part of the Kiwanis Centennial Tour, these playgrounds will encourage communities to join the celebration of Kiwanis' rich history of serving children by providing clean, safe havens for family play. This project is yet another way that a gift to the Kiwanis International Foundation extends your impact. Explore our website to learn more about the foundation and the **grant projects that your gifts support** around the world.

Our local event will take place the weekend of May 1-2, 2015 at Camp Independence in Ingleside, IL. Please save the date for this great opportunity to take part in a service project with fellow Kiwanians from across the Illinois-Eastern Iowa and Wisconsin-Upper Michigan Districts!

It's a big month for good news in our club. Here are a few happy things we'd like to share about the club and its' members.

Aneta Lysek, who secured the \$500.00 grant from First Midwest Bank, presenting the 'check' to **President, Sandy Stewart**.

The funds were used to purchase school supplies for local kids.

Congratulations to **Jack and Donna Lenhardt** on the recent marriage of their daughter, Ashley.

The happy parents are sure looking quite stylish!

Congratulations to **Ray and Sue Begy** on the marriage of their son, Ryan, to his lovely bride, Naomi. In other news from the Begys, Ray will be running the Chicago Marathon in October. We'll have updates and photos after the race.

Best wishes to **Lori Orozco and her husband** who are expectant grandparents! Again, we definitely expect photos when the baby is born!

Board Actions and Updates

Decisions made and discussions had at the August board meeting included:

- Although the budget committee has met and made preliminary proposals, the board will not review the budget until after peanut day when we have a more realistic idea of our how much we will have to work with in 2014-2015.
- There was discussion about changing our meeting schedule in the upcoming Kiwanis year. The change would be to hold one morning and one noon meeting per month. No firm decision has been made at this time.
- The board voted to be a \$250.00 sponsor of the St. John's Knights of Columbus 5K race which will benefit the Hanover Township Food Pantry. The race takes place October 4.
- The board also voted to place a \$50.00 ad in St. John's Gala ad book. The gala will be held November 14.
- All remaining budgeted donations for 2013-2014 will be made prior to September 30.
- Officer and board positions were discussed. One board position is open and is expected to be filled before the start of the new Kiwanis year.
- Upcoming events were discussed including the Fishing Derby, Installation Banquet, Peanut Days and more.

September is Childhood Obesity Awareness Month

More than 23 million children and teenagers in the U.S. are obese or overweight, a statistic that health and medical experts consider an epidemic. While obesity rates have soared among all age groups in this country, obesity is a particularly grave concern for children.

Childhood obesity puts nearly one third of America's children at early risk for Type 2 diabetes, high blood pressure, heart disease and even stroke – conditions usually associated with adulthood.

It's not too late for our children. Every September, National Childhood Obesity Awareness Month (COAM), gives elected officials, educators, physicians, and you the opportunity to take a stand and fight childhood obesity.

Here are five tips for helping kids eat more nutritiously and get moving:

1. Keep nutritious foods available and in sight. Fruits and vegetables are packed with nutrition and should be ready to eat for snacks and quick meals. A bowl of fruit on the table, a refrigerator snack station with peanut butter and pre-portioned snacks are all great ways to help kids eat more nutrient-dense foods.

2. Be a role model. Kids are more likely to be active and eat well if you do, so eat nutritious foods and make exercise a priority in your life first. The old adage that "actions speak louder than words" couldn't be truer than in promoting health eating and physical activity among children. You are your children's most important role model.

3. Make physical activity fun. Playing games like tag, hopscotch, dodge ball, and hula hooping, riding bikes, walking and running are all activities that are easy and fun. Many can be done with little or no equipment and even in a small space, inside or outside. A friend of mine even set up an obstacle course in her home during a rainy weekend!

4. Make it a family affair. Eating healthy and exercise are important for every member of the family. Grocery shopping and visiting a farmer's market, as well as preparing meals as a family promotes togetherness and kids are more likely to eat something they help create.

5. Focus on health and not on weight. While many people need to lose weight, better health can start even before one pound is shed. By concentrating on healthy habits, increasing energy and quality of life, weight issues are less likely to become an unhealthy focus.

California Turkey Wraps

Ingredients:

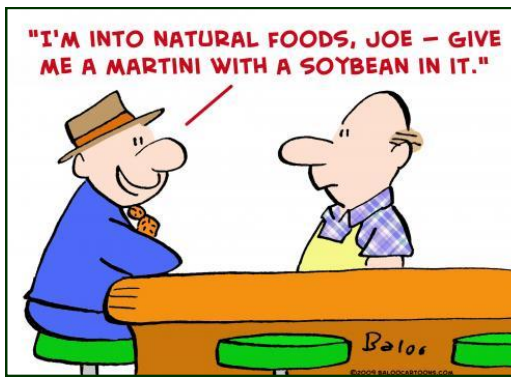

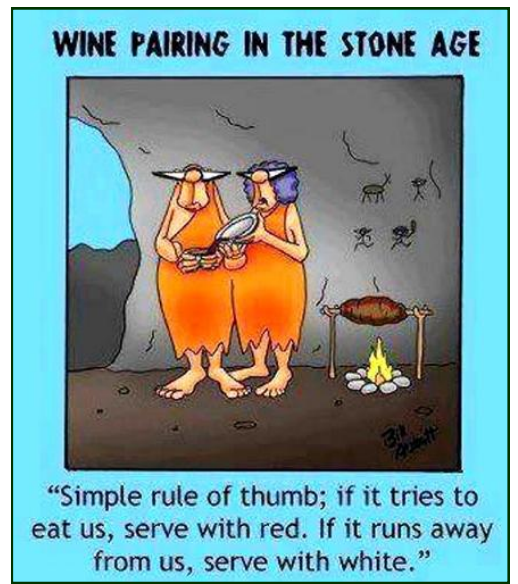

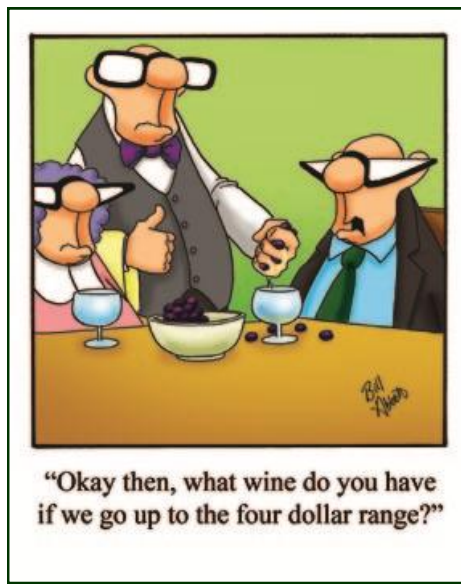

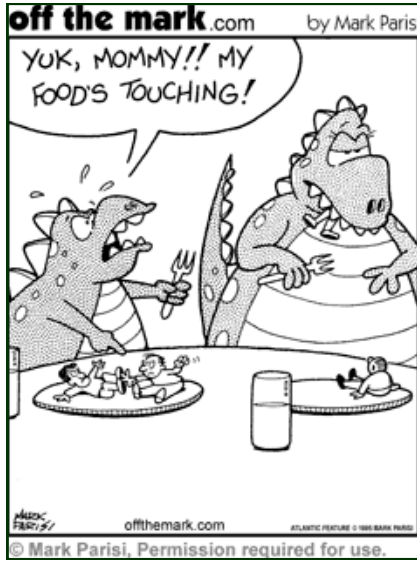

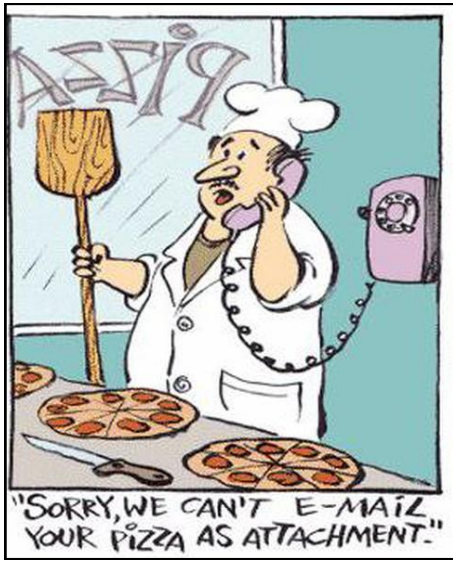

- 4 flour tortillas (10 inch size)
- 8 trimmed leaves green leaf lettuce, washed & dried
- 12 ounces thick sliced deli smoked turkey breast
- 12 slices bacon, cooked
- 1 large tomato, cored and thinly sliced
- 1 ripe avocado, peeled & thinly sliced
- 2 teaspoons lime juice
- 1 small red onion, thinly sliced
- Salt and pepper
- 3/4 cup ranch salad dressing

Directions:

1. Toss avocados with lime juice. Wrap tortillas in barely damp, doubled layers of paper towels and microwave on high for 45 to 60 seconds.
2. Lay the tortillas on a cutting board and start to layer the ingredients. Fan the leaf lettuce on the top three-quarters of each tortilla then lay the turkey slices on top, followed by the bacon, tomato, avocado and red onion. Season with salt and pepper to taste. Top with some of the dressing.
3. Fold up the bottom quarter of the tortilla and then start to roll each sandwich into a cone shape. Secure the tortilla with a toothpick. Serve immediately.
